

## *Jenny Greene*

How can I describe you Jen? You are the most positive, determined, adventurous and courageous person I know. You're a born fighter who loves every second of life and relishes and seizes every challenge. Whenever we meet you overwhelm me with all the wonderful things you're planning to do. The only thing that can ever stop you from making all your dreams come true is time. You were born to fly.

You are also one of the nicest, funniest people I know. I've seen many times the impression you make on others – instantly winning them over with your sharp wit and immense warmth. You glow from the inside and your presence lights up a room.

Thank you so much for touching my life Jenny. You have made me a better person.
