17/12/2008 – 09/09/2009

This tribute fund is in memory of our daughter Sofia.

Our baby Sofia Jasmine sadly lost her life to a deadly genetic deficiency called MCADD, a deficiency we never knew about and a disorder we are now trying to campaign to raise awareness for.

By setting up a Galaxy Tribute fund we know we will be helping others. Sofia was a gorgeous baby, happy and just beginning to create a bubbly personality. We, as parents, have had the worst loss parents can ever experience but all we hope is that by raising funds we will be giving help and hope to other babies, children and adults

Sofia will always be 'Our Special MCADD Angel'.
